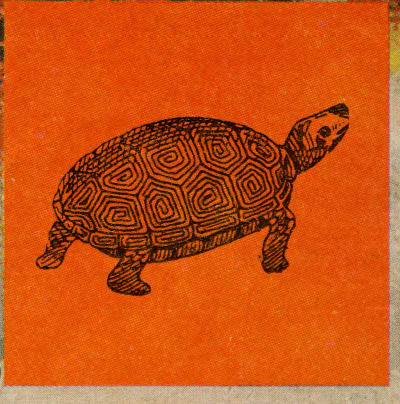
BROCHURE AND PROGRAM



UNIVERSITY OF MARYLAND WRESTLING COACH

William E. "Sully" Krouse

Coach Krouse is entering his 19th year of coaching at the University of Maryland. He was instrumental in the elevation of wrestling to a major varsity level in his second season as coach. His 17-year record is an outstanding one with 96 wins, 44 losses and four ties.

Sully is a native of Georgetown in Washington, D.C., where he attended Western High and was captain of the football team. He was selected to the All-High team two years while at Western. He then attended Augusta Military Academy in Virginia where he was All-Prep in football and won the State heavyweight title in wrestling two years.

He received his degree from Maryland in 1941. While at Maryland Sully won the Southern Conference Heavyweight Wrestling title and lettered in football three years as a tackle. After receiving his degree from the College of Business and Public Administration, he entered professional football, playing for the Brooklyn Tigers in 1942

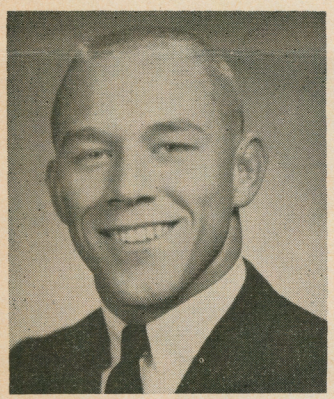
He entered coaching in 1944 at Southern High in Baltimore where he coached football, wrestling, and lacrosse. He returned to Maryland in 1946 as Wrestling Coach and assistant football coach. He assisted with football until 1949.

Upon returning to Maryland Sully obtained an undergraduate degree in Physical Education and his Masters in Education. He is now an assistant professor in the College of Physical Education in addition to his coaching duties.

Sully had his first Championship wrestling team in 1952 when the Terps won the Southern Conference title and repeated in 1953. In 1954 the Terps won the initial Atlantic Coast Conference title and now have won 13 consecutive conference team titles including all 11 in the ACC. The Terps have also captured 77 of the possible 98 individual titles in 11 years of the ACC.

His 17 year Conference record now stands at 70 wins against six losses. The Terps have a conference winning streak of 59 including their last nine dual meets in the Southern Conference. Sully has never had a losing team at Maryland with the Terps breaking even with a 5-5-0 record in their first season of Major Varsity status in 1947-48. He brought the NCAA Tournament to Maryland in 1960.

He married his former classmate Mary Susan Sullivan of Frostburg, Maryland, in 1942, and now has two children, a son Jay 19 and a daughter Susanne 14.



FRESHMAN COACH

JIM SAUVE, a 1964 graduate of West Chester (Pa.) State College, is beginning his first year as freshmen coach. Here at Maryland he is working for his Masters degree in Physical Education.

Jim was born in Mechanicsburg, Pa., Dec. 9, 1942. He was graduated from Mechanicsburg High School in 1960. While at West Chester, he won six letters (three each) in wrestling and football. He placed second and third in the Middle Atlantic Conference Wrestling Tournaments and last year was named Outstanding Senior Athlete at West Chester.

WRESTLING MANAGER

BOB STUMPFF, a 1963 graduate of Lewistown High School, Lewistown, Pa., was a three-year letterman as wrestling manager and in addition won four monograms as head track manager. He was official at the P.I.A.A. Championship Track and Field Meet in 1961 and 1962 — the only high school student to serve as an official. His senior year he did the wrestling team publicity for The Sentinel, Lewistown's daily paper, besides being Sports Editor of the school yearbook.

Now a sophomore enrolled in the College of Business and Public Administration, Bob is in his second year as varsity wrestling manager for the Terrapins. Also, he became Assistant Sports Publicity Director for the University in September. Last year he not only did the wrestling articles for the Diamondback, school daily paper, but also served as Co-Tournament Chairman of the 1964 Atlantic Coast Conference Wrestling Tournament held at Maryland.

TOTAL TEAM SCORE

SCORING RULES

Collegiate matches are nine minutes long, divided into three periods of three minutes each. The first three-minute period will start from a standing neutral position. Second and third periods shall start on the mat in the referee's position, contestants interchanging positions of advantage each period.

A FALL is decided when either wrestler has held his opponent's shoulders to the mat for a period of one second. This terminates the match.

A DECISION is awarded to the contestant who scores the greatest number of points in a bout where no fall occurs.

A DRAW is decided when both contestants have a tie in the number of points scored.

A FORFEIT is received by a wrestler when his opponent for any reason fails to appear for the match.

A DEFAULT is awarded in a match when one of the wrestlers is unable to continue to wrestle due to an injury.

MATCH SCORING POINTS SYSTEM

TAKEDOWN — The first takedown by either wrestler shall score two (2) points for the offensive wrestler when he brings his opponent to the mat and gains control while the supporting points of either wrestler are within the mat area. After the first takedown the second and any succeeding takedowns shall count only one (1) point.

ESCAPE — Defensive wrestler attaining a neutral position one (1) point.

REVERSE — Defensive wrestler going behind his opponent and gaining control two (2) points.

NEAR FALL — Three (3) points can be awarded when the shoulders are held in contact with the mat for less than one second or when one shoulder is in contact with the mat and the other sholder within one inch for two seconds or more. A wrestler MUST BE IN CONTROL AND BE IN A PINNING SITUATION in order to receive the near fall points.

PREDICAMENT — Two (2) points are awarded to the wrestler who HAS CONTROL AND IS IN A PINNING SITUATION and a fall or near fall is imminent — both shoulders of the defensive wrestler are held within four inches of the mat for one full second or more.

TIME ADVANTAGE — The offensive wrestler who has control in an advantage position over his opponent is gaining time-advantage. Each wrestler has a timekeeper assigned to record his accumulated time-advantage throughout the match. At the end of the match the referee subtracts the lesser time advantage from the greater. If the contestant with the greater time advantage has less than one minute of net time advantage, no point is awarded. If he has one full minute or more of net time advantage, he is awarded ONE POINT by the referee. No contestant can be awarded more than ONE POINT for time advantage in any one match. The contestant with the lesser time-advantage receives no points even though he accumulates several minutes of time in the advantage position.

THE CLOCK FACING THE SPECTATORS IS UNOFFICIAL. THE OFFICIAL TIME IS BEING KEPT AT THE SCORERS' TABLE ON THE MOHAWK TIMER.
